Employment

Consulting Field Naturalist

2001 - present

Lead field inventories of birds and insects for clients that include governments, non-profits, and private landowners.

Writer

1991 - present

Author, essayist, and journalist specializing in wildlife and wild places. Publication credits include *Aeon*, *Orion*, *The New York Times*, *The Boston Globe*, *Audubon Magazine*, *Field and Stream*, *Eating Well*, and other publications. Now writing at *Chasing Nature* (Substack) with more than 15,000 subscribers (www.chasingnature.substack.com).

Adjunct Lecturer, The University of Vermont

2018 - present

Lecturer on field biology and professional communications at the graduate level in the Field Naturalist Program, which prepares students for careers in the natural sciences, conservation, and public policy.

Wildlife Photographer

2000 - present

Capture images from nature; teach innovative digital photography workshops to students in academia and private life.

Adjunct Faculty, The University of Vermont

2012 - 2018

Instructor for courses on practical and professional writing in the Field Naturalist Program.

Chief Field Lepidopterist, Vermont Butterfly Survey

2001-2007

Co-designed and managed community science project documenting the distribution and abundance of butterflies across Vermont. Authored and designed project manual and field forms. Trained survey volunteers. Served as lead field lepidopterist.

Nature Guide

1997 - 2013

Founder and operator of Vermont Bird Tours, offering guided natural history outings across North America. Frequent lecturer on birds and natural history.

Maple Corner Media

2010 - 2017

Co-founder of an alliance of writers specializing in journalism, publishing, public relations, and digital media.

Editor and Staff Writer, *The Times Argus and Rutland Herald*

1986 - 1999

Award-winning journalist covering natural history, environmental policy, and government. As assistant editor, supervised staff of reporters for the combined Sunday edition for these two family-owned newspapers.

Air-Quality Chemist, Environmental Research Group, Inc., Ann Arbor, MI

1980 - 1984

Supervised air pollution monitoring projects at private industries and at a federal Superfund site. Produced technical reports on test results.

Notable and Recent Field Work

- Discovery of stigmatic exudate on Eastern Dwarf Mistletoe (*Arceuthobium pusillum*), believed to be the first time this phenomenon has been photographed in the field. Resulting article: "Virtue in a Droplet: On a rare parasitic plant, my tiny discovery became a way of grace and triumph." *Chasing Nature*. March 25, 2026.
- Field study of sequential stamen movement and herkogamy in *Parnassia glauca*. 2022. Publication pending.
- Photography of rare butterflies for the Maine Department of Inland Fisheries and Wildlife. 2018-2021. Resulting publication: *Butterflies of Maine and the Canadian Maritime Provinces*. Cornell University Press. 2023. ISBN13: 9781501768941.
- A rapid field survey for birds and invertebrates of the McConnell Pond tract, Nulhegan Basin, Vermont, for The Conservation Fund. 2019.
- The Vermont Damselfly and Dragonfly Atlas, a project of the Vermont Atlas of Life. Principal investigator. <https://val.vtecostudies.org/projects/vermont-damselfly-and-dragonfly-atlas/>. 2017-present.
- Invertebrate survey of Maine Army National Guard Hollis Training Site. Hollis, Maine. 2016.
- An investigation of Odonata in Vermont rivers and peatlands. For the Vermont Department of Fish and Wildlife. 2007-2010.
- The dragonflies and damselflies of Teal Farm, Huntington, Vermont. For the Foundation for a Sustainable Future. 2005-2006.
- The breeding birds of Teal Farm, Huntington, Vermont. For the Foundation for a Sustainable Future. 2005-2006.
- A field study of breeding birds in the Southeast Quadrant of South Burlington, Vermont. For the City of South Burlington, Vermont. June 2004.
- Founder and chief field lepidopterist for the Vermont Butterfly Atlas. <https://val.vtecostudies.org/projects/vermont-butterfly-atlas/>.

Selected Essays, Articles, and Commentaries

Wrote the forward to the upcoming book "Dragonflies & Damselflies of Maine and the Canadian Maritime Provinces," to be published in February of 2027 by Cornell University Press.

"The Virtue of Birches: Poetry, story, fate, and exploration in what falls to earth from trees," for *Mitchelliana*, the newsletter of the New York Flora Association. Spring 2026.

"Birders, Consider a Bridge Camera," for *Audubon Magazine*. Summer 2024.

"A most duplicitous flower," an essay for *The Boston Globe*. September 4, 2022.

"Nightlife: The Many-Splendored Moths of Montpelier," an essay and photos for *Seven Days*. Aug. 10, 2022.

"Leave the light on for them," an essay for *The Boston Globe*. July 31, 2022.

"'Silent Spring' at 60," an essay for *The Boston Globe*. June 12, 2022.

"Resilient nature amidst the ravages of war," an essay for *The Boston Globe*. April 24, 2022.

"What Stories Do Stray Masks Tell?," an essay and photo spread for *Seven Days*. February 22, 2022.

"Time flies — but I know one way to beat the clock," an essay for *The Boston Globe*. October 31, 2021.

"Copulating in the cold on the shortest day of the year," an essay for *The Boston Globe*. Dec. 19, 2021.

"In life as in the wold, a fading serenade," an essay for *The Boston Globe*. September 19, 2021.

"The Extinction of Meaning," an essay for *Medium.com*. <https://medium.com/s/story/the-extinction-of-meaning-1d8d495f5f75> August 16, 2018.

"Getting the Blues." An overview of *Celastrina* in Vermont and the region. Self-published: <https://bryanpfeiffer.com/wp-content/uploads/2018/04/Getting-the-Blues-Celastrina-2Apr2018.pdf>. April 2018.

"Ghosts and Small Treasures," an essay for *Aeon* magazine. <https://aeon.co/essays/we-need-a-chronic-passion-for-nature-not-a-passing-storm> April 27, 2016 .

"Hillary and Me," an essay for *The Valley News* and *VTDigger.com*. <http://www.vnews.com/home/16540500-95/column-if-you-come-to-vermont-hilary-i-have-a-question> April 19, 2015.

"A Bobolink's Carbon Fingerprint," for *Northern Woodlands Magazine*. Spring 2015 Spring 2015.

"The Snowy Owl," an essay for *Aeon* magazine. <http://aeon.co/magazine/nature-and-cosmos/the-snowy-owl-is-a-messenger-from-the-arctic/> February 2014.

"Peacham Bog," an essay for *Orion Magazine's* feature "The Place Where You Live," online at <http://tinyurl.com/c3dxlgm>. Print version in press for Summer 2013. March 31, 2013.

"The Real Meaning of Groundhog Day," *Vermont Public Radio* commentary. <http://www.vpr.net/episode/52928/pfeiffer-ground-hog-day/> February 2, 2012.

"Charlie Cogbill's Trees," *VTDigger* and several Vermont newspapers. January 27, 2012.

"Snowy Owls Invade Vermont," *VTDigger* and several Vermont newspapers. January 13, 2012.

"A Winter Moth," *Vermont Pubic Radio* (commentary). www.vpr.net/episode/52622/pfeiffer-winter-moth/ December 14, 2011.

"Are You Gullible or Lariphobic?" *Northern Woodlands* magazine. Winter 2011.

"Eat More Birds," *Vermont Public Radio* (commentary). December 1, 2011.

"Dragonfly Swarms – Revisited," *The Daily Wing*. www.dailywing.net/2011/08/08/dragonfly-swarms-revisited/ August 8, 2011 .

"An Ode to Warblers," *Northern Woodlands*. Summer 2011.

"When It Rains Birds," *The Daily Wing*. www.dailywing.net/2011/05/06/when-it-rains-birds/ May 6, 2011.

"Mob Mentality," *Northern Woodlands*. Spring 2011.

"The Snow Goose Scoop: A status report on Greater Snow Goose," *The Daily Wing*. www.dailywing.net/2010/10/08/the-snow-geese-scoop/ October 8, 2010.

"Feather Morphology," *Northern Woodlands*. Winter 2010.

"A Mystery Solved," an essay on an *Ectoedemia* species, *Northern Woodlands*. Fall 2010.

"Twisted Duck Sex," *The Daily Wing*. www.dailywing.net/2010/10/30/twisted-duck-sex/ October 30, 2010.

"Solving Shorebirds," *Northern Woodlands*. Summer 2010.

"Size and Time in the Grand Canyon," *The Daily Wing*. www.dailywing.net/2011/03/10/size-and-time-in-the-grand-canyon/ March 10, 2011.

"Impressions: An Analysis of Wing Prints in Snow," *The Daily Wing*. www.dailywing.net/2011/01/31/impressions/ January 31, 2011.

"Glenn Beck and the Fog of Journalism," *The Daily Wing*. www.dailywing.net/2010/10/21/glenn-beck-and-evolution/ October 21, 2010.

"Mercury in the Mountains," white paper prepared for the Vermont Center for Ecostudies. www.vtecostudies.org/PDF/researchnotes2.pdf January 2010.

"Maple Leafcutter and its Turtle-like Existence," *Outside Story* series. http://northernwoodlands.org/outside_story/article/maple_leafcutter_and_its_turtle-like_existence/ September 24, 2009.

"Salamander Strategies," a white paper prepared for the Vermont Center for Ecostudies. www.vtecostudies.org/PDF/Research%20Notes%20No%203%20-%20Salamanders.pdf January 2009.

"Chasing Birds Around America," for *The New York Times*. December 22, 1991.

Cytochemical evidence of a role for lysosomes in steroidogenesis: acid phosphatase and 3 β -hydroxysteroid dehydrogenase in porcine corpora lutea." Elfont, E.A., Brooks, N.R., Pfeiffer, B.M., Kochanowski, A. and Dimino, M.J. 1979. *Micron*, 10(3), 225. 1979.

Books and Chapters

"The History of Avian Conservation in Vermont" — A section for *The Second Atlas of Breeding Birds of Vermont*, edited by Rosalind Renfrew. University Press of New England. 2013.

"The Natural World" — A chapter on the natural history of the Long Trail, published in *A Century in the Mountains: Celebrating Vermont's Long Trail*. The Green Mountain Club, Inc. 2009.

"Birdwatching in Vermont" by Ted Murin and Bryan Pfeiffer. University Press of New England. 2002.

Keynotes, Seminars, Lectures, and other Public Events

"Practical Butterfly Photography," a webinar for the Idaho Fish & Game Department. April 23, 2026

"Eco Essays: Big Ideas from Little Things," a presentation to the Northeast Natural History Conference. Burlington, Vermont. April 18, 2026.

"Natural Selections," an evening of poetry, prose, and music. North Branch Nature Center, Montpelier, Vermont. April 3, 2026.

"A Butterfly is a Place," a presentation at the Cutler Memorial Library. October 7, 2025. Plainfield, Vermont.

"Dragonflies and Damselflies: Ecology and Identification," a five-day seminar offered through Biodiversity University. July 2025. Montpelier, Vermont.

"Natural Selections," an evening of poetry, prose, and music. North Branch Nature Center, Montpelier, Vermont. April 4, 2025.

"Butterfly Ecology and Identification," a seminar for Biodiversity University. Montpelier, Vermont. July 6-8, 2024.

"Odonata and Lepidoptera of James Bay," a presentation to a small gathering of field biologists. February 3, 2024.

"Getting Gulls," an online lecture delivered in November of 2023.

"Practical Nature Photography," an online seminar during the spring of 2023.

"Insects for Birders," a presentation to the Seacoast Chapter of New Hampshire Audubon. March 9, 2022.

Butterfly Identification and Ecology. An online course for the North Branch Nature Center, Montpelier, Vermont. June-July 2020.

Field Photography for Entomologists. Presentation for the Center for Systematic Entomology. Gainesville, Florida. January 18, 2020.

Vermont Housing Conservation Board Annual Retreat. Evening speaker. Ripton, Vermont. November 14, 2019.

"The Audacity of Monhegan Migration." A talk for Monhegan Associates. August 8, 2018.

Moths and Butterflies: A Field Course. Biodiversity University. Montpelier, Vermont. June 29 – July 3, 2019.

Point-and-Shoot Photography for Birders. North Branch Nature Center, Montpelier, Vermont. May 11, 2019.

Field Photography for Naturalists and Biologists. North Branch Nature Center, Montpelier, Vermont. March 2, 2019.

"Naked in the Lake: A Superior Adventure." For the Naturalist Journeys lecture series. North Branch Nature Center, Montpelier, Vermont. February 15, 2019.

"A Forest on the Wing of a Butterfly." Keynote address. Northern Woodland Conference, Fairlee, Vermont. October 14, 2018.

"The Audacity of Migration." A presentation to the OSHER Lifelong Learning Institute. Stowe, Vermont. October 10, 2018.

Insect Macrophotography. A seminar for biologists and naturalists at Colby College in Waterville, Maine. June 16, 2018.

"Birds. Words. Notes." Readings, reflections, photography and music at North Branch Nature Center, Montpelier, Vermont. April 27, 2018.

"Butterflies for Birders (and Beginners)." A presentation for Green Mountain Audubon, Richmond, Vermont. April 25, 2018.

"Dragonflies and Damselflies: An Introduction and Field Priorities for the Northeast." Session presentation at the Northeast Natural History Conference, Burlington, Vermont. April 15, 2018.

Field Photography for Biologists. A seminar at the Northeast Natural History Conference, Burlington, Vermont. April 13, 2018.

Dragonflies and Damselflies: Field Techniques and Identification. A seminar for the Eagle Hill Institute, Steuben, Maine. July 2-8, 2017.

Moths and Butterflies: Identification, Specimen Preparation and Taxonomy. A seminar for the Eagle Hill Institute, Steuben, Maine. June 23-July 1, 2017.

"The Audacity of Migration." A presentation at James L. Goodwin State Forest Conservation and Education Center, Hampton, CT. April 4, 2017.

"Insects for Birders," a presentation to the Hoffman Bird Club, Pittsfield, MA. April 3, 2017.

"Birds, Butterflies, Backyards and Beyond," a presentation for The Nature Museum, Chester, Vermont. March 1, 2017.

"The Audacity of Migration," a presentation at Schoodic Institute, Acadia National Park, Winter Harbor, Maine. January 19, 2017.

"Naked in Norway: Backpacking Above the Arctic Circle," a presentation in Brookfield, Vermont. August 31, 2016

Moths and Butterflies: Identification, Specimen Preparation and Taxonomy. A seminar for the Eagle Hill Institute, Steuben, Maine. June 23-28, 2016.

Dragonflies and Damselflies: Field Techniques and Identification. A seminar for the Eagle Hill Institute, Steuben, Maine. June 28-July 2, 2016.

"The Wild Trail," keynote address at annual Meeting of the Green Mountain Club, Lyndon, Vermont. June 11, 2016.

Better Birding: Field Identification for Advancing Birdwatchers. A seminar for the Eagle Hill Institute, Steuben, Maine. May 22-28, 2016.

"Birds, Butterflies, Backyards and Beyond," a presentation for the Thetford and West Fairlee Conservation Commissions, Thetford, Vermont. April 14, 2016.

"The Art of Winter," a presentation at Shelburne Museum, Shelburne, Vermont. April 1, 2016.

"Naked in the Canyon," a presentation for the North Branch Nature Center's Naturalist Journeys lecture series, Montpelier, Vermont. January 22, 2016.

"The Audacity of Migration," a presentation to the Friends of Green River Reservoir, Hyde Park, Vermont. October 9, 2015.

Moths and Butterflies: Identification, Specimen Preparation and Taxonomy. A seminar for the Eagle Hill Institute, Steuben, Maine. July 12-18, 2015.

Dragonflies and Damselflies: Field Techniques and Identification. A seminar for the Eagle Hill Institute, Steuben, Maine. July 5-11, 2015.

Digital Photography Workshops, the AVA Gallery and Art Center, Lebanon, New Hampshire. April 18, 2015.

"Naked in Norway: Backpacking Above the Arctic Circle," for the North Branch Nature Center's Naturalist Journeys lecture series February 6, 2015.

"Lakeside Confidential," a presentation to the annual meeting of the Vermont Federation of Lakes and Ponds, Fairlee, Vermont. June 7, 2013.

"Animal Attractions," a presentation in the Distinguished Writers Series for the New England Federal Credit Union, Williston, Vermont. March 26, 2013.

Digital Photography for Naturalists, a workshop for the Field Naturalist and Ecological Planning programs, University of Vermont. March 22, 2013.

"Darwin Meets St. Valentine," a presentation to Green Mountain Audubon, Richmond, Vermont. February 12, 2013.

"A Wing and a Prayer: Faith, Fact and the Ivory-billed Woodpecker," an address to the Golden Eagle Audubon Society, Boise, Idaho. March 10, 2012.

"Into the Canyon, Into the Earth: The Natural History of the Grand Canyon," a lecture in the North Branch Nature Center's Naturalist Journeys series, Montpelier, Vermont. January 27, 2012.

Digital Photography. Workshop delivered in Montpelier, Vermont. January 2012.

Better Birding Lecture Series. Concepts and themes in birdwatching. Delivered the first Monday of the month in Montpelier, Vermont. Throughout 2012.

Digital Photography, a lecture and workshop on theory and practice delivered at Nichols College, Dudley, Massachusetts. October 23, 2011.

"The Mushroom and the Thrush," address to the annual meeting of the Northern Rivers Land Trust, Hardwick, Vermont. June 12, 2011.

"A Charles Darwin Birthday Celebration," a lecture at Fairbanks Museum, St. Johnsbury, Vermont. February 12, 2011.

"Photography for Farmers," a presentation to the Women in Sustainable Agriculture Conference, Fairlee, Vermont. November 2, 2010.

"Chasing Woodpeckers," a lecture for the Greensboro Historical Society, Greensboro, Vermont. June 26, 2009.

"Why I Love Charles Darwin," lecture celebrating Darwin's 200th birthday in the "Why I Love ..." series at Kellogg-Hubbard Library, Montpelier, Vermont. February 12, 2009.

"A Bird's Eye View," fund-raising lecture at Studio Place Arts, Barre, Vermont. April 27, 2008.

"Chasing Woodpeckers," lecture for the Tunbridge Historical Society, Tunbridge, Vermont. January 9, 2008.

Keynote address at the wrap-up celebration of the Vermont Breeding Bird Atlas, Norwich, Vermont. November 17, 2007.

"A Closer Look at Shorelines," a presentation to the Federation of Vermont Lakes and Ponds, Inc., Montpelier, Vermont. July 23, 2007.

"Ivory-billed Woodpecker: Dream or Discovery?" a lecture at North Branch Nature Center, Montpelier, Vermont. June 16, 2006.

"Wild Orange," a presentation to the town of Orange, Vermont. April 27, 2006.

"WEC, Wires and Wildlife," keynote address to the annual meeting of Washington Electric Cooperative, East Montpelier, Vermont. May 3, 2005.

"Skippers and Skimmers," an OSHER Lifelong Learning presentation, Rockingham, Vermont. February 4, 2005.

"Life Along Lewis Creek," keynote address to the Lewis Creek Association, Starksboro, Vermont. October 17, 2004.

"The Mushroom and the Thrush," keynote address to the Vermont Chapter of The Nature Conservancy, Essex, Vermont. April 2, 2004.

"The Mushroom and the Thrush," keynote address to the annual meeting of the Vermont Institute of Natural Science, Quechee, Vermont. September 6, 2003.

"A Vermont Vision: The Future of Odonata Study in the Green Mountain State," a presentation to the New England Odonate Conference, Athol, Mass. April 17, 2004.

"The Mushroom and the Thrush," keynote address to a meeting of the Green Mountain Club. April 4, 2003.

"Jericho-Underhill Wild," an address to the Jericho-Underhill Land Trust. February 10, 2003.

Radio, Television and Podcast Appearances

"Zombie Snails"

For the RumbleStrip podcast. <https://www.rumblestripvermont.com/episodes/zombie-snails?rq=Bryan%20Pfeiffer>. July 2025.

"Bird Man"

For the RumbleStrip podcast. <https://www.rumblestripvermont.com/episodes/2021/05/bird-man>. May 2021.

War and Nature

Guest on episode of Radio Vermont's Vermont Viewpoint to discuss an essay about nature and human spirit during the war for Ukraine. April 2022.

Dragonfly Migration

Guest appearance on Outdoor Radio, a project of Vermont Public Radio and the Vermont Center for Ecostudies. <http://digital.vpr.net/post/outdoor-radio-migrating-species-dragonflies-wandering-glider#stream/0>. September 19, 2018.

"Getting Gulls"

Guest appearance on Outdoor Radio, a project of Vermont Public Radio and the Vermont Center for Ecostudies. January 17, 2018.

"Birding in Vermont"

Developed and hosted one-hour special on birdwatching practices and enjoyment for Vermont Public Television. 2007.

Nature Notes, WCAX

Field naturalist on weekly nature segments during the evening newscast. 2004 – 2008.

For The Birds, WDEV

Co-host award-winning weekly radio program on birds and birdwatching. 1990 – 2010.

Exhibits

The Art of Nature. The Nature of Art — An exhibit and discussion at North Branch Nature Center, Montpelier, Vermont. February 2, 2018.

Flight — Photography exhibit at Maple Valley Café and Gallery, Plainfield, Vermont September-October 2015.

WINGS — Photography at Kellogg-Hubbard Library, Montpelier, Vermont. June – July 2012.

ArtWalk Montpelier — Prints on display at Global Gifts, Montpelier, Vermont. December 9-16, 2011.

WINGS — An exhibit of 29 prints at the Korongo Gallery, Randolph, Vermont. Oct 14 – Nov 23, 2011.

Event and Project Leadership

Biodiversity University (BioU)

Conceived and co-organized field school bringing distinguished biologists to Vermont to conduct courses. My model and the organizational name has now adopted by the North Branch Nature Center, Montpelier, Vermont. <https://northbranchnaturecenter.org/adult-programs/biodiversity-university>

Northeast Natural History Conference

Among the lead organizers for gathering of research biologists, graduate students, and citizen naturalists. Burlington, Vermont. April 13-15, 2018

Regional Meeting, Dragonfly Society of the Americas

Co-organizer of field gathering of entomologist studying Odonata to be held in northern Vermont and New Hampshire. July 13-16, 2017.

NymphFest 2016

Co-organizer for meeting on the discovery and identification of larval Odonata, involving biologists and amateur naturalists in Bennington, Vermont. www.odes.bryanpfeiffer.com/nymphfest March 4-6, 2016.

Vermont Center for Ecostudies Web Site

Supervised a web site redesign for non-profit group of research biologists. Wrote and edited large portion of the site's content. www.vtecostudies.org April – November 2014.

Annual Meeting of the Dragonfly Society of the Americas

Organized annual meeting for 85 biologists in Orono, Maine. Created and maintained web site. Produced on-line and printed maps and conference materials. www.wingsenvironmental.com/dsa/ June 24-27, 2010.

The Montpelier BioBlitz

Organized and coordinated 24-hour biological assessment of the Vermont state capital. Created and maintained web site. Produced all BioBlitz materials. www.northbranchnaturecenter.org/bioblitz/ July 11-12, 2008.

NymphFest 2008

Organized regional meeting on the discovery and identification of larval Odonata, involving biologists and amateur naturalists in Athol, Massachusetts. www.odes.millersriver.net/nymphfest2008.htm February 9-10, 2008.

The Vermont BioBlitz

Conceived organized and coordinated first major BioBlitz to be held in Vermont, drawing more than 120 biologists and naturalists and countless visitors to Quechee, Vermont. June 25-26, 2004.

Affiliations and Public Service

- Vermont Endangered Species Committee, member appointed by the governor, 2019-present
- Dragonfly Society of the Americas (president, 2018-2021)
